+ THOUGHTS FROM PASTOR BRENDA

My Dear Church,

This past week, I hit a **milestone** I was hoping to put off as long as possible: the first death of a congregant. Somehow, an entire year passed without a single funeral inside the walls of St. Stephen's or Gethsemane. All of that changed on the morning of Thursday, June 18th, 2020, when +Jerry Rasner+ completed his baptismal journey, and joined his Creator.

Sigh. It's not as though I wanted to avoid a Funeral; I believe the **Christian funeral** gathering, be it inside a sanctuary or around a gravesite, is a beautiful and essential part of our journey. It's important for the family to know the one who has died was loved, and it is just as important for the community to grieve the loss of one of their own. The body of Christ that hurts together, **heals** together.

So, it's certainly not the service or funeral rituals I had hoped to avoid. **It's just the thought of saying goodbye to even ONE of you THAT saddens my heart.** I honestly do not know how people who live without faith in a resurrected Christ even begin to piece back together their heart, and I feel profoundly grateful for the hope and peace our God gives to us in times such as these.

As I walked with +Jerry+ and his family in his final days, I watched the small pond in the backyard of his river home go through quite the transformation. The old pond was falling apart: the lining at the bottom had been punctured, the water was leaking from the structure itself, the moss had overtaken the stones, and the bridge was no longer able to be traversed. In short: this pond's time on earth was coming to an end.

The transformation of which I spoke came from each of +Jerry's+ children: Mark tackled the task of finding someone to construct a new and improved bridge, Mike's land provided the sturdy rocks of which the pond was to be shaped, and DJ spent the time and labor it took to transform that space of land from an old, mucky hole, into a beautiful, life-giving pond.

FOUNDATION: I cannot recall the last time I was able to quote from the book of Ezra, but I found these words to ring true: And they sang responsively, praising and giving thanks to the Lord, ***“For he is good, for his steadfast love endures forever toward Israel.” And all the people shouted with a great shout when they praised the Lord, because the foundation of the house of the Lord was laid. (Ezra 3:11)***

Designing the foundation of the new pond indeed called for rejoicing, as it was to last for decades to come. The plastic was no good, the canvas was too permeable, and on and on they went. It actually was +Jerry+ who came up with the idea of coating the large canvas with a flexible sealant. Sure enough, the pond was able to sustain both water and, hopefully, the weather over time.

A life without a solid foundation in Christ is as **weak** as the original pond plastic proved to be: full of dangerous holes, and leaking into the world around it. We may think we can handle the world on our own – as exposed as the naked canvas once was, but in truth, we, too, need the flexible coating of our Lord's protection. A life lived in Christ, an existence **sealed** in the Spirit, provides the foundation upon which we are called to live. For this we give a great shout to the Lord!

BRIDGE: The sturdy bridge that now sits atop the rejuvenated pond serves as a beautiful reminder of how Jesus serves as the Great Connector in this, our earthly journey. ***For there is one God, and one mediator also between God and men, the man, Christ Jesus. (1 Timothy 2:5)*** Jesus is able to show us the way toward forgiveness, and away from selfishness. He helps reconnect us with relationships, and keeps us from isolation. The Great I Am bridges what would be an insurmountable chasm between God and humanity with the love He showed for us on the cross.

ROCK: When DJ was dreaming of how to transform the muddy pit into a sustainable pond, he envisioned the use of stackable rocks to construct the walls. Thankfully, there were (literally) tons of rocks to be found beneath the soil of his brother, Mike's property. We scooped up those mini-boulders, seeking just the right widths and sizes to help build the walls of the pond. We also knew the rocks had to be strong enough to sustain both the foot traffic around the pond as well as properly support the new bridge.

The Lord is my rock, my fortress, and my deliverer, my God, my rock in whom I take refuge, my shield, and the horn of my salvation, my stronghold. (Psalm 18:2) Seeking the right kind of rock in LIFE is just as essential. I can imagine there have been times in your life (I know there have been in mine) where the ground upon which you stood was anything but sturdy. A time where our wobbly, little legs were being supported by OUR will, and not GOD'S. How apt to see this pond, with each of its carefully selected stones, and be able to reflect on just how STRONG the walls now stood. The Rock in whom we take our refuge stands ready to guard and guide the ground upon which we walk, supporting whatever is placed upon our hearts.

WATER: The Gospel read at +Jerry's+ graveside service included this verse: ***"And let the one who believes in me drink. As the scripture has said, 'Out of the believer's heart shall flow rivers of living water.'"*** (John 7:38) A pond wouldn't be much of a pond without, well, WATER! As followers of Christ, we know – we BELIEVE – that the Living Water that has flowed into our lives comes to us out of sheer GRACE. We might have manually filled up the pond with water, but our God continues to fill US with the water that will continue to sustain us in this life.

COVID UPDATE: I know how hard it is to be apart from one another. Your Joint Council continues to converse with one another, all while watching both the local news, the reports from the scientific community, and the governmental mandates/suggestions. Just when we think we've been able to hold the virus at bay, we have SIX additional, confirmed reports of COVID in our community...just this week. **Grr!**

Oh, how frustrated that makes me – and yet, as your leader, it is my duty, my responsibility, my CALL to lead you SAFELY. The COVID-19 pandemic is far from over, and we all must redouble our efforts to follow public health directives and help keep our neighbors and ourselves safe. I continue to pray that you are staying strong and well as we weather this storm together.

May your foundation be strong, your Bridge be ever-near,
your Rock be your guide, and may living water flow into each and every day,

Pr. Brenda

JOINT COUNCIL MEETING – via Zoom June 24, 2020

- The Joint Councils met to further discuss the re-opening of our churches – when, how, what type of service – indoor/outdoor, etc.
- Discussion was held concerning the possibility of outdoor services at both churches (weather permitting) – availability of Holy Communion, music options, availability of recording systems, wearing of masks, social distancing were some of the issues addressed.
- Pastor Brenda also reminded the Councils that the original recommendations handed down from the Synod office and the National Church office are still in effect and we are still encouraged to follow them.
- It was also noted that, though we have not had a new case of the virus during the past two weeks in Menominee County, cases in Marinette County continue to increase. And as so many from our area either work or shop in Marinette, there is still a real possibility of transfer of the virus to our area.
- After discussion and a voice vote, it was determined that we are not ready to move forward at this time and will meet again in two weeks.
- The next Joint Council meeting will be held Tuesday, July 7, 2020 at 6:00 pm.
- Meeting was closed with prayer led by Pastor Brenda.

STEWARDSHIP: OUR TIME, OUR TALENTS, OUR TREASURE

During this time of "virtual worship," we will depend even more on the generosity of this community. We pray that you will continue to support Christ's mission through sending in your weekly Offering.

Offering Envelopes

Don't have the fancy envelopes on hand? No problem! A simple envelope from your home will do, as well. The mailing address for each Church is on the first page of this Newsletter, and all you'll need is a stamp to send these gifts by mail.

The Financial Secretaries of each Church (Sandy Beardsley and Sandy Chaney) have been checking PO Boxes at the end of each week, gathering, recording, and depositing your offerings to be used for ministry. They have been delighted to find your gifts in the mailboxes! **Thank you for your faithfulness!**

*All that we are able to give flows directly from God's compassion and God's ever-abundant faithfulness. So, **thank you** in advance for all that you can do during these difficult days - through sharing generously and regularly throughout the crucial weeks to come, and by making a special gift of support if you are able.*

And may God continue to bless and sustain us as we stand, boldly and gratefully, ready to share the good news of the Gospel with all people and live God's love by our words and actions!
