"Disconnect to Reconnect: JR/SR High Retreat" - Feb 4-5, 2022

Technology is everywhere these days, there's just no way around it. Fortune Lake invites youth currently in grades 7-12 to take a **break** from screens and join us at camp for an **unplugged retreat**. This one-night retreat will be held February 4-5 and will feature Bible Studies, games, and camp style activities designed to encourage attendees to disconnect from their electronics and reconnect with the people around them.

Details: Check-in Friday night at 6 pm CST. The retreat will conclude at 4 pm CST on Saturday. A snack will be provided on Friday night as well as breakfast, lunch, and a snack on Saturday. Youth attendees will lodge in duplex cabins. Youth group leaders will lodge in duplexes or retreat lodges.

As of this moment, Pastor Brenda is heading to Camp with 2 of our Youths. If you know of any other 7th- 12th graders that would love to join us, CALL Pr. Brenda ASAP! *Registration Deadline: January 28, 2022 by 5 pm CST.*

SimpleChurch CRM

SimpleChurch is the name of our new, Church Management System. It's the software we use in both Offices to keep track of ALL of our church records, replacing *Shepherd's Staff*. We've been busy inputting and updating records after the Joint Council approved this more cost-efficient program. Just SOME of its helpful features include:

- Logging **Interactions**: lets us jot down when we've called or visited a church member
- Easy and visually-astute accounting system assists our Financial Team with **Offerings**
- **Mass Contact** feature gives us options when it comes to reaching out to Congregants.

Email

Text Message (SMS)

Voice Message

Speaking of Mass Contact...we now have 3 ways to quickly and efficiently reach out to you:

By EMAIL: This will be an easy way to send electronic Newsletters, notices of immediate prayer needs, and/or information about Bible Studies and classes. This method even allows us to attach files such as photos or documents.

By TEXT: We'll use this method when we need to send you a very short message in a very quick amount of time. As far as we can tell, the number used by SimpleChurch is: **22383**. Go ahead and ADD it as one of your CONTACTS, so you'll know it's US the next time we text.

By VOICE: Perhaps you received a recorded phone call from a 1-866 number in late December. (*Pr. Brenda was testing out the system, and recorded a message about Christmas Services.*) We're letting you know the actual number that is most frequently used by the company, as we don't want you to let it go to voicemail (thinking it might have been one of those annoying telemarketers). **1-866-665-4386** seems to be the number that is generated and used by SimpleChurch. Again, we'd suggest ADDING it as one of your CONTACTS, so you'll know it's US the next time we call.

***THANK YOU for your **patience and grace**
as we explore new ways to use SimpleChurch!***

With gale force winds, our humble Manger could not withstand the gusts, but the strength of Mary did prevail. Thank you, Alvin and Keith, for coming to the rescue and making it strong enough to withstand a category 4!

A great **BIG** thank you to Alvin and Keith for getting and putting up our Christmas tree and to Keith, Shirley, Sharon, Alvin, Cheri, and Norma for beautifully decorating our tree and the Sanctuary for the Christmas season.

O come let us adore Him!

Pastoral Musings

by Rev. Brenda Greenwald

Dear Church,

I was recently gifted the sweetest, little **Nativity** you ever did see. Measuring just over an inch and a half tall, this little Mary, Joseph, and Baby Jesus was crafted using a technique called "**quilling**" (No, not *quilting*...not *THIS* time, at least!). Quilling is the art of tightly-wrapping tiny, colorful pieces of paper in order to form a bigger picture. (I have a quilled cross in my office at Gethsemane if you'd ever like to see the technique close-up.). In this case, the little circles of paper were shaped into the base, the manger, and the bodies of the Holy Family. This hand-made Nativity was a precious reminder of that night so long ago, and a gift I will forever **treasure**.

Treasure....what do we really **treasure** in our lives? We treasure our **health** – thankful when it's good, and mourned when it's lost. We treasure **time** spent with loved ones, be they near or far away. We might even treasure **food**, not only for its tasty, nutritional value, but for its ability to bring us together. Ask a 4-year-old what *he* treasures, and well, I guarantee you it's going to have something to do with **dinosaurs** or trucks!

What was it that **Mary** treasured, that holiest of nights, when she could finally rest from childbirth? ¹⁹ **"But Mary treasured all these words and pondered them in her heart."** Mary treasured the words, the excitement, the confirmation, really, that *her* Son was **THE** One the world had been awaiting. What parent doesn't want to hear glowing things about their child, much less heavenly prophecies about a Savior?! Truth be told, Mary didn't really *need* to wait for an excitable tale from Shepherds, or revel in the incredible news from heavenly angels to known what, or rather **WHOM**, she would **treasure**: she would treasure the tiny **infant** that lay before her. She would treasure the **hope** found in this little soul. She would treasure her **role** in this Divine mystery, this true, miracle of life, the **Word** made flesh.

Ponder your treasures, dear Church. Ponder **YOUR** roles, ponder **YOUR** hopes, as the beautiful story from long ago has not yet concluded. The Life and Love that was brought forth upon this earth some 2022 years ago is a life-force that can fill **YOUR** hearts with beautiful things, and that is certainly something wonderful to **ponder**.

Pondering with you,

Fr. Brenda
